18 carat magnum gold nib in M

Front piece with 24 carat gold plating and blue lacquer rings which are hand applied in elaborate workmanship with several layers in the style of the death mask of Tutankhamun

Barrel with engraved hieroglyphics representing the 12 deities we tell about in the end consumer brochure

End piece with engraved lotus symbol

End piece with reconstructed lapis lazuli engraved with a scarabaeus symbol

Shape of the cap is reminiscent of Nefertiti's cap crown

All metal parts feature a matt finish and a highly resistant diamond like carbon (DLC) coating

The barrel's end piece is adorned with a small metal plate with 24 carat gold plating which is engraved with the symbol of the Eye of Horus
