BLUE PHOENIX

• The new **Sailor Ebonite KOP Blue Phoenix** is a symbol of profound transformation and draws inspiration from the mythical blue phoenix. This legendary bird, embodying cyclical regeneration and rebirth, finds a deeper meaning in its blue hue, which is associated with tranquility, spirituality, and wisdom, representing inner peace and the embrace of new beginnings. Crafted from stunning blue ebonite rods, each pen has a unique pattern and is proudly made in Japan. Each **Sailor Ebonite KOP Blue Phoenix** includes a pen sleeve with the blue phoenix design.
